4. Further description of waste materials expected to be generated during the project:

5. Contractor Certification

I, ________________________________, do hereby certify that I have identified above all waste materials expected to be generated by the Project named in Section 1 and that I will dispose of all such waste materials in a legally permissible manner and location(s), in accordance with all applicable federal, state, and local laws and regulations. I further certify that I will amend this form as appropriate if I, my representatives, employees or subcontractors become aware of any additional wastes that will be generated by the Project. I further agree to notify the CU Project Manager if I become aware of any legal non-compliance associated with disposal of Project wastes by anyone.
